Sir:

The application papers for the above-identified application were originally filed on March 11, 2005, and the application was assigned Application No. 10/527,706.

With respect to the requirement for translation of the application into English, and submission of an Oath or declaration of the inventors, Applicants do not understand this requirement. The subject application was filed with an English translation of the application and a Declaration. Applicants attach herewith a copy of the date-stamped postcard for the filing of the subject application, which indicates that an English translation and a Declaration were filed and received from the Patent Office. It appears that the Patent Office has confused this application with that of another application, and Applicants therefore have attached another copy of the English Translation and Declaration, only as a convenience to the Patent Office.

In view of the above, Applicants respectfully request that the Patent Office withdraw the subject Notice for English translation and Declaration.

*The original papers submitted on 03/11/05
